

1. Vous devez vous créer un compte à l'adresse suivante
<https://cad.onshape.com/signin>
2. Cliquer sur « **Sign up** »

The image shows the Onshape sign-in/sign-up page. It features the Onshape logo at the top. Below the logo are two input fields: one for 'Email' and one for 'Password'. A blue 'Sign in' button is positioned below the 'Email' field. To the right of the 'Sign in' button is a link for 'Forgot your password?'. At the bottom of the page, there are three links: 'Onshape Terms & Privacy Policy', 'Don't have an account?', and 'Sign up'. The 'Sign up' link is highlighted with a red rectangle.

3. Cliquer sur « **Educational Account** » :

The image shows the Onshape account selection page. It features three columns, each with a different account type. The first column is for 'Onshape Professional', the second for 'Onshape Education', and the third for 'Onshape for Makers'. Each column has a description of the account type and a 'Request your' button. The 'Request your EDUCATION ACCOUNT' button is highlighted with a red rectangle.

Our commercial-tier plans will help your business speed up your time-to-market and also better protect your intellectual property. Onshape Professional unlocks private documents, formal release management, company-wide admin tools, enhanced data management, and other productivity features.	Onshape's free Education Plan is the best CAD solution for academic settings. Onshape Edu gives students and educators access to everything from the basics to the more advanced tools, including multi-part design, configurations, simultaneous sheet metal tools, standard content, and managed in-context design. Verification required.	Onshape proudly supports the maker community with professional-grade CAD, available free for non-commercial projects in an open-source public work space.
